6. Judgments, Liens & Encumbrances

A comprehensive search of the Orange County Recorder's index from 01/01/2000 to present for both "HERRON DAVID" and "HENCH SANDRA" revealed:

- **NO** open involuntary liens, tax liens, or judgments against either borrower.
 - **NO** Notice of Default or Notice of Trustee Sale.
-

7. Critical Analysis & Observations

1. **[CRITICAL] Borrower Property Discrepancy:** The search revealed that David R Herron acquired a different property in 2008 (Instrument 2008000473485). Sandra D Hench acquired the subject property (21942 Via Del Lago) in 2021 from the Loskot family. However, both borrowers signed the 2021, 2023, and 2026 Trust Deeds together. This indicates David R Herron is a co-borrower on the loans but may not be on the title/deed for this specific property.
2. **[CRITICAL] Missing Loan Amounts:** Due to automated access restrictions on the OC Recorder document viewer, the exact loan amounts for the 3 active Trust Deeds could not be extracted.
3. **[WARNING] Unmatched Reconveyance:** A reconveyance was recorded on 02/18/2026 (the exact same day as the most recent Partners Federal Credit Union Trust Deed). It is highly likely this reconveyance releases the 2023 Partners Federal Credit Union Trust Deed, replacing it with the 2026 one. Manual review of Instrument 2026000043728 is required to confirm.

4. **[INFO] Name Variations:** The search for "Herron David" returned numerous results for a "Herron David Russell" married to "Herron Yvonne Bettina Fritz". This is a completely different individual and those documents were excluded from this report. The subject borrower is "Herron David R".
