CRITICAL ANALYSIS AND OBSERVATIONS

Two-Owner Scenario Analysis

The search results reveal **two separate current owners** established by Grant Deeds recorded on the **same date (August 10, 2021)**:

- **HERRON DAVID** - Acquired from HERRON YVONNE B F (likely family transfer)
- **HENCH SANDRA D** - Acquired from LOSKOT CORINNE R TR and LOSKOT DANIEL J TR (trust transfer from unrelated parties)

This indicates one of the following ownership structures:

Scenario A: Tenancy in Common

- Both parties own undivided interests in the entire property
- Each deed conveys full property rights to its grantee
- Possible conflict: Different legal descriptions would be problematic

Scenario B: Separate Units or Parcels

- Property may be multi-unit (duplex, condo) with separate units
- Each deed conveys a specific unit only
- Would require verification that APNs differ or that legal descriptions specify unit

Scenario C: Partial Conveyance Error

- Only one party should own full fee
- Other deed may be unrelated or for different property
- Would require identical legal descriptions to verify single property

Anchor Date Determination

Anchor Date: August 10, 2021

Both current vesting deeds were recorded on this date, establishing the most recent full conveyance. Prior documents from 2006, 2008, 2009, and 2014 form the historical chain showing how each owner's predecessor held the property.

Title Defects and Issues Identified

NONE IDENTIFIED AT THIS STAGE - However, the following require verification:

- **Legal Description Match** - Must confirm that both 2021 vesting deeds contain identical legal descriptions. If they differ, this is a **CRITICAL ISSUE: Different Properties**.
- **Open Mortgages** - Multiple deeds of trust were recorded but some reconveyances lack clear instrument number references. The status of the following requires verification:
 - Inst# 2008000473486 (Herron, 2008)
 - Inst# 2008000019866 (Hench, 2008)
 - Any mortgages recorded in 2021 contemporaneous with vesting
- **Recent Reconveyance (2026-02-18)** - Inst# 2026000043728 was recorded very recently for Hench Sandra. This suggests a loan may have been taken after the 08/10/2021 vesting and was paid off within 4.5 months. Unusual pattern warrants explanation.
- **Robert R. Hench** - Appears in 2009 and 2011 deeds for Hench Sandra but not in 2021 vesting. Clarify whether Robert released interest or whether he is a different person from current co-owner (if any).

Lien Status Summary
