7. Critical Analysis & Observations

1. **[CRITICAL] Multiple Open Trust Deeds:** There are 5 recorded Trust Deeds under the current owners (Vondrans), with 3 of them being from Partners Federal Credit Union (2020, 2022, 2026). There are 3 recorded Reconveyances (two in 2020, one in 2026). A manual review of the document images is required to cross-reference the recording numbers and determine exactly which loans remain open and what the principal loan amounts are.
 2. **[INFO] Prior Owner Post-Sale Activity:** The prior owner (Julian Samuel Love) appears to have recorded a Trust Deed (2021000475960) and Reconveyance (2021000508444) in 2021, *after* selling 22 Calle Cabrillo to the Vondrans in 2016. This indicates the prior owner purchased another property in Orange County and those records are attached to their name, not this subject property.
 3. **[WARNING] Legal Description Verification:** The legal description provided in this report is sourced from Assessor tax tract data (Lot 74 and portion of Lot 73, Tract 13752). The exact metes and bounds or lot description must be verified by reading Exhibit A of the vesting Grant Deed (2016000243774).
 4. **[INFO] Tax Status is Clear:** The 2025-2026 property taxes of \$11,109.18 are fully paid, presenting no immediate tax lien risk.
